2. Purpose of the project

- To help adoptees establish identity
- To discover proper programs which can be provided for longer period of time, meet the adoptee's needs based on their life cycle, and enhance the network between adoptees.

3. Scale of Support

- It will be determined after reviewing applications
- * Outcome of the last year program, feedback from embassies and legations abroad, etc will be considered.

4. Selection Criteria and Qualified Organization

- Selection Criteria
 - The feedback from embassies and legations abroad will be considered when the program and the scale of funds are determined.
 - The Scale of funding can be adjusted when the applicants exceed deadlines for the submission of final report last year.
- Qualification of applicants
 - Applicants must apply through the Korean embassies and legations abroad
 - Social support groups of adoptees voluntarily created within their adoptive countries

- Support the business receiving positive opinion of embassies and good score in 2015 preferentially
- o Unqualified applicants
 - Applicants who proposed programs that have not made sufficient outcome or the outcome was not well identified.
 - Applicants who have utilized the last-year-funds for other purposes.
 - Programs funded by other governmental organizations for the same program details.
 - In case that the fund is utilized for the actions against the Subsidy Management Act and other related regulations.
 - In case that the fund is utilized for the religious or political purposes
 - Each association and organization can be funded for only one post adoption program. But exception will be made for the programs which are well-evaluated by the embassies and legations abroad.
 - In case that the proposed programs are evaluated as 'disqualified' based on the decision of the screening committee
